

Although we take our mission seriously to deliver the coolest drinks with a touch of irreverent fun, it's now time to get down to business and talk about warranties.

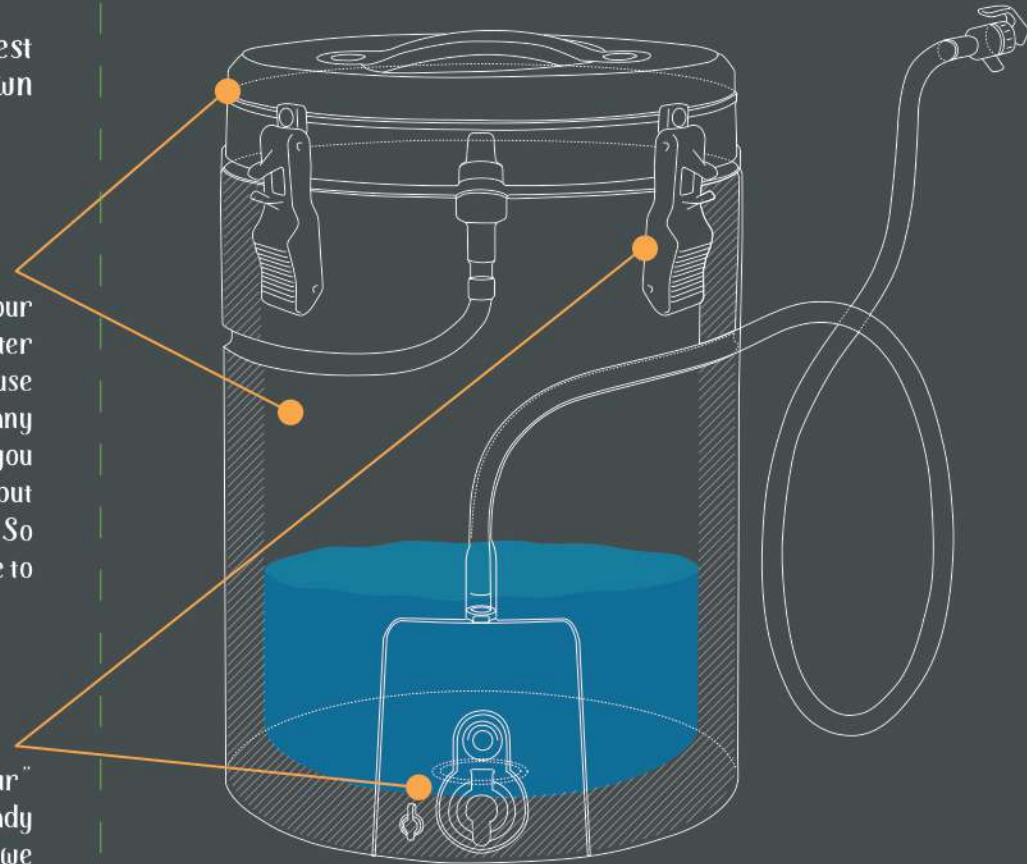

Lifetime Warranty on the Lid and Cooler Cannister

We firmly stand by the design, durability, and structural integrity of our double-walled, to-molded lid and cooler canister. Should you encounter any defects or issues related to these components, worry not because we've got you covered for a lifetime, and protected against any manufacturing defects or malfunctions. Now that doesn't mean that you can beat on it with a hammer or throw it off the roof of your fraternity, but we've built the CoolCat to withstand all normal wear, tear, and usage. So go ahead, pour those drinks with confidence, knowing that we're here to support you for a lifetime!

3-Year Warranty on the Battery Pack* and Components

We understand that the heart of the CoolCat lies in its "press and pour" delivery system, and the components that keep your beverages ready for action. So, for (3) three years from your date of purchase, we guarantee the battery, its internal mechanism, and all external components... including the handle, latches, hose, and spigot... will all be free from defects and malfunctions. Should you encounter any issues within this period, we'll be there with our CoolCat experts to fix things up and get your drinks flowing smoothly again.

If, after that three-year period, your CoolCat needs a refreshment of its own you can easily purchase replacement parts on our website at www.thecoolcatcooler.com

* Although the CoolCat is designed for water-adjacent activities, such as boating and beach outings, and can withstand brief exposure to rain and surf, it's important to note that it should never be fully submerged in water or sprayed with water. As the cooler is equipped with electronic components that powers our patented pump system, and includes external charging and USB ports, it is imperative these ports are securely covered with the provided caps at all times. Failure to do so may void the warranty.

So, fellow CoolCats, rest assured that we take our warranty game as seriously as we take our chilled beverages. We're here to ensure your CoolCat experience is nothing short of phenomenal, keeping your drinks cold and your smiles wide.

Remember, our warranty policy is our sign of confidence in the quality and craftsmanship of the CoolCat, and our customer support team is here to assist you in any way we can. Just reach out to us at support@thecoolcatcooler.com, and we'll be happy to help in any way we can.

Stay cool, my friends, and let the CoolCat be your trusty companion on the quest for the ultimate beverage experience!

*Sincerely,
Team CoolCat*
